

## College of Nursing Wireless Instructions for Students

The Wifi network is called “**Nursing\_WiFi**”.

1. Connect your device to “**Nursing\_WiFi**”.
2. You will be prompted to enter your College of Nursing username/password while connecting. Your username is your name.# (same as with OSU/Carmen). You can reset your password by going to <https://my.osu.edu>
3. After connecting, you will be able to use the internet until you leave the building.
